There's nothing better than being able to take care of myself. In every aspect. But one thing I give in to is a nice fleshy, warm, throbbing, hard cock. While playing with myself is fun, having a rock hard cock inside me is like a little bit of heaven.

I got my boobs done a few years ago because I wanted to feel better about myself. Breast-feeding early on took its toll. Besides, I wanted to fill out a bikini and have men notice. And they did. It was like putting a man-magnet on my chest and watch them gather around them, er, I mean me.

You gotta love these close ups. This is stuff you don't see in real life this close. Sometimes the photographers should be getting hazardous duty pay. But it's even better when you actually get to see his cock thrusting into her pussy. Her labia sucking it in deeper. You can do exactly that when you check out Pandora's scene online. If you're too embarrassed to look, then you can use your own imagination.

# a cryptic encounter

**O**n the bed next to me, my girlfriend's still sleeping. I stroked my cock while I thought of Marlea. She and I work together at a large real estate office, in the Title Department. I'm thirty five and she's over forty years but looks at least ten years younger. Marlea started at the company a few years ago and is now the talk of the office. Not only for her looks, but for her mouth. That is to say, she apparently talks a lot of sex around the office and has yet to be reprimanded for it. I had only heard about it second hand. This day, she and I had to go to the county Records Office at the government plaza to pick up some records for a client.

Almost as soon as we got in the car she started, asking me how my sex live was, how often I got laid, how many times I fucked women I didn't know, how many one night stands, and if I liked to play kinky sex games. For the next twenty minutes of the drive we exchanged both real and, probably, made up stories. She said she played a lot of sex games with both men and women, and as long as it didn't interfere with her work, she was okay with it. I listened and said, 'Me too.'

Before going in, I decided to ask how these kinky sex sessions happen. She said that people who know people would call or text her with what they wanted and if she liked it, and felt like it, they would set up

a rendezvous and engage. I joked, kinda like an exclusive sex country club. She found it amusing.

After completing our task, I called up my friend Josh after work that day and told him I had the inside info on Marlea. We talked for a while and concocted a plan and the next Monday put it into motion. He would text her pretending to be an ex-participant and tell her that a new person was going to text her for a 'play date' as she had called it. We thought that with enough inside information she would agree. And she did. I was that 'new person.' She and I texted back and forth to get the details worked out. At work I did not say a thing or give any indication it was me. It had to be anonymous. After all I have a girlfriend.

Saturday morning I got the message I was waiting for. Josh and I were going to show up with masks on at eight that evening. I called Josh immediately after the plans were finalized. A quarter to eight Josh and I park near her house and we

cover our faces with masks looking like a couple past presidents. We'd dressed pretty simply so our clothes would not give us away, either. We decided, and agreed, that there was to be no talking on my part, so she wouldn't recognize my voice. He could talk, but not to say my name or too much else. We walked up to the house and rang the doorbell.

Marlea was wearing a long flowing white gown-like thing when she answered the door. She looked amazing: tall and statuesque with

full pouty red lips and long slender legs peeking out through slits in her gown. She led us into the living room where a hundred candles ringed the sitting area. In another room we heard voices, moaning and other muffled sexual-sounding noises. Was this an orgy or a swinger's party? She stopped in the middle of the large room, took off her robe and stood there totally naked in front of us. Her skin seemed like it was glowing in the candlelight and her pussy mound was hairless. Her boobs were beautiful, perfectly firm and big, with half-dollar size nipples. In a low sultry voice, she told us to strip, which we did in two seconds. The three of us are all naked now except for the masks Josh and I wore. She took a couple steps, sat on the sofa and took her mask from the side table and put it on. It was beautiful, like the Venetian paper maché carnival masks.

Marlea extends her arms, one to each of us to come closer. I kept looking at Marlea's naked body, as Josh made his way towards the sofa unable to hold himself back. He slowly leaned down and Marlea wrapped her beautiful long thighs around his head as he slowly pressed his lips against her pussy. He kissed all along the outer edges as his tongue making circles around her clit. He slowly spread apart her pussy lips, his tongue diving into her, exploring it like it had a mind of its own. He ran his hands up her stomach, gripping her breasts, fondling them roughly.

She nodded towards me and I smiled as he slowly squatted over

Marlea, gently easing his cock into her waiting mouth. She let out a soft purr as she felt his cock touch her lips and move past them into her hot mouth. Her eyes shut as she felt his long, hard cock enter her causing her head to rock against it breathing hard as she did. Instantly her mouth was over his mushroom head, pulling and licking at it gently at first before becoming rougher and rougher. She moaned softly as she tasted his warm precum in her mouth. Her tongue rolling around up and down the shaft.

Then she lay down on the sofa, and Josh buried his cock into her pussy as he slowly slid his enormous manhood straight past her clit. He gripped her shoulders, and started

*She stopped in the middle of the large room, took off her robe and stood there totally naked in front of us. Her skin seemed like it was glowing in the candlelight...*

to slam in and out of her. He growled softly as he plowed his meaty manhood in her hole. I couldn't take it anymore and went over and straddled Marlea's face. She began by lapping the underside of my cock. She buried her face deep into my balls, tongue flicking at every twitch of them. Her hands gripped my butt cheeks tight, digging her nails into me as Josh pounded her harder and harder causing her to yelp with pleasure. She groaned while continuing to suck me nibbling on my

cock with her teeth before attacking it with her tongue.

Josh reached out and gripped her full breasts, fondling her roughly as he continued to make hot rough love to her, his length sliding almost all the way out then slamming back into her. Marlea growled out loud as his cock went harder and harder into her, causing her pussy to get wetter and wetter. Her body trembled as she tried to fight back another orgasm. She knew her body wouldn't be able to handle much more and she wanted to keep going but her body had other plans. Josh could tell that Marlea was spurred on by his motions and that only caused him to pump his cock harder into her.

He says he felt her sugar walls tighten around him until she released her beautiful juices all over his shaft. With one mighty thrust, Josh plunged his cock deep into her pussy and let his cum burst forth, entirely coating her insides and causing their combination of love juices to leak slowly from her overflowing slit. She muffled her screams as she came and came. Her body quivering hard as she hit her peak and dug her teeth into my cock and that only made me orgasm as well from the pleasure of her teeth. She then drained and swallowed all my cum.

I got off the sofa and took Marlea by the arm and stood her up. I led her around to the back of the couch and bent her over it and waved Josh over. He rested the tip of his cock against Marlea's soaking wet pussy.

*Her deep throat-  
ing was amazing,  
and I was ready  
for round two.*

*I wanted to try  
anal with her, too.*

---

He pushed just the tip in between her pussy lips. He paused for a few seconds, maybe weighing his decision, and then switched holes and pushed his cock against her anus. Marlea made a squealing noise, but pushed down on his cock too. They pushed like that, back and forth, for a few seconds. Marlea reached back and pulled Josh's cock back down towards her pussy. It slid in easily, right to the hilt in one stroke, and suddenly it was completely swallowed up. Then she pulled it out and put the tip of his dick against her butt hole again, and with a bit more pressure, he was halfway into her ass.

While this was going on, I sat down on an armchair and watched Mar-

lea's huge breasts sway as she was fucked from behind, bent over the sofa. She was gasping in ecstasy as Josh pushed all the way into her ass, and put his hands on her shoulders to pull her butt down on his cock harder. Marlea came loudly, but still didn't speak. Her legs were shaking. She spun around and kneeling in front of him, leaned her head back and opened her mouth wide and Josh delivered. He unloaded a jet of cum across her face. She made a show of sucking his cock again, going at it while she waited for whatever came next.

And she didn't have to wait long. I took Marlea's arm and brought her to my armchair, kneeled her down in front of me and sat while she sucked my cock back to a full hard-on. Her deep throating was amazing, and I was ready for round two. I wanted to try anal with her, too. As soon as I was fully hard once again, I turned her around and made her start sucking Josh's cock while she stood and bent at the waist. I got behind her.

She was so hot and wet, as I plowed her pussy for five minutes while she kept deep throating Josh. Then I stuck it in her asshole, all the way in one stroke. I thrust deep into her little brown star at least a dozen times, building the ecstasy and my orgasm until I was at the edge again. I shoved my cock deeper into her ass and gave her three hard, long and full thrusts, and then shot my second load deep into her butt. I pulled out and watched my cum drip out her backdoor, down between her buttocks and down her legs.

It's now midnight and we've exhausted ourselves. Sweat was running down our faces under our masks as we got dressed. Marlea just sat on her sofa waiting for our departure. We headed for the front door and Josh said good-bye. I nodded and opened the door. When we got to the car, we just sat there for five minutes before either one of us did anything. Then we took off our masks revealing the biggest grins across our faces as we pulled out to head home; and just in time to see her inviting another masked couple into her house.

I was taking a shower at my new boyfriend's house. I had never done that before but after only ten minutes I heard him come into the bathroom. I decided to give him a better view so I turned toward him so everything was in clear view.

He started to rub his cock and quickly became hard. It was huge. He came over and grabbed me and bent me down to suck it. He jammed it down my throat. I took it all in and within minutes he came all over me. Then he left so I could finish my shower. Get the free video replay of this scene online.

## Mischief Makers

My hubby Brett and I have been married for more than ten years. We like to live it up as best we can. So we've decided to become a little more adventurous in our current sex life. We've become swingers, of sort. That is, there have been times that others have joined us for some fun. Either sex is fine because Brett and I know our limits, and our promises to each other.

We decided to have Brett friend's Jacob over that Friday night. About an hour before his arrival, I showered and trimmed everything up. Brett sneaked his tongue in and around my pussy to get me warmed up. I mentioned I was a bit nervous, but was ready to get the evening started. I told him I hoped he enjoyed the show. After making sure the camera was set up with a great view to our bed, we kissed each other and awaited our guest.

Jacob arrived a few minutes early and I answered the door in a black see-through top, no bra, a black thong, and satin shorts that really show off my assets. He grabbed my hand as I invited him in. This is the second time we have 'played' with him. The first time, about two months ago was a little much for him, but he's had time to think about it and talk more with my hubby, so says he's cool now.

I sat down on the couch beside him, placing his hand on my leg, which he immediately began to rub. In no time at all I was surrounded, Brett on my right, Jacob on my left, hands all over me and

mouths kissing my arms and neck. This time we took it slower. We had a bottle of wine first and talked for a bit. My husband took charge this time and started kissing me again as we were sitting on the sofa with his friend sitting in a chair across from us. Brett began undressing me while Jacob watched. He then spread my legs so that I was on full display for his friend and began fingering me and sucking my breasts. His friend was watching all this and had a huge erection at this point.

When he was satisfied that I was good and wet and about ready to cum, he told me to get down on the floor on all fours. Brett dropped his pants and thrust himself inside me. We were both so aroused doing it in front of his fully clothed friend that we exploded within just minutes. When he was done he moved me back to the sofa, legs spread so that I was on display as before. He then told him that if he wanted to fuck me he'd have to eat me like I had made him do the first time. Jacob's jaw dropped! After a brief pause though he dropped down on his knees and buried his face in my hot mess. I had my second orgasm within two short minutes.

Once he was satisfied he'd eaten enough, Brett told him he was ready to watch him

**40+:** Hi Dasha. Thank you for sharing some time with us. Your fans just adore you.

**Dasha:** I know. That's so nice of them and I appreciate every one of them, too. They've supported me throughout the years and I've been lucky enough to have met thousands of them. They buy my movies, they come to the clubs, and they follow me online. I really love them.

fuck me. He didn't waste any time pulling it out and shoved it in so hard and fast that I screamed. He just began pounding me he was so excited and I was moaning and groaning like crazy. He's huge to begin with, but this time it felt even bigger than before. Then, with a couple last hard thrusts, he filled me with his cream.

He was done, it was over in less than five minutes and both of us collapsed. I stood up and Brett came over and gave me a big kiss. I then asked Jacob to get dressed and leave, telling him Brett would let him know the next time he wanted him to satisfy me.

### Having Pizza Alone

There's a woman I had met through a friend who was married but apparently not getting enough from her man, and I initially found her interesting. That is, until she attempted to harass me. She would send me texts like *I'll be the best fuck you'll ever have* and *No one can fuck you like I can fuck you* and the ever popular, *I give the best blow jobs on the planet* with all these weird emoji after the phrases.

Well, much to my disappointment in aftersight, sex with her was completely sloppy and awkward. It's like when you take two magnets and point the same poles towards each other. There was no rhythm and I remember that kissing her was like trying to stick my tongue in a bathtub. Some people fake orgasms on purpose and some do it out of habit. She moaned during sex making the fakest sex sounds possible. She shrieked, called me daddy, and probably woke up the entire fucking neighborhood with her booming

yells of fake sexual pleasure.

My poor cock shriveled from the lack of chemistry with this woman and I threw in the towel early. I laid down defeated and supremely grossed out. Then, she asked me in this whiny voice: "Um, can I suck your cock?" I sighed again, her question and tone reminiscent of a 1920's talkie. We all know how this is going to end. "Sure," I said, "Go for it." She did. It was fine, but to get to that point was so excruciating painful mentally.

They say there's no such thing as a bad pizza and no such thing as bad sex. Next time, I'll just order the pizza and do myself.

### No Guilt Here

Here's a lesson for you guys out there who choose to ignore or diss your wife. She may not say anything, but, trust me, she's thinking it. Just hope she doesn't act on it like I did. I'm writing because I need to clear this from my guilt. Yes, I'm going to go into some detail because it's important.

I've been carrying the guilt for more than a year. My husband would travel a lot

### To the Editor,

I just watched the free video of Dasha and Ben and I was really excited at the scene. While it was all hot and all, and she gives a great anal scene, I'm really turned on by her cocksucking skills. I've always liked my cock sucked, even more than straight sex, and after watching her, I got off just watching her. She took Ben's huge cock into her mouth and really worked it over.

Her tongue was sensational, licking it all over and I pretended she was doing it to mine. My climax was divine. Thanks again for a great video.

— James, El Paso

for his job. And doing so, he developed friendships in many cities and would often go just to hang out. I was rarely included. And while I objected, to deaf ears, many times, I learned to live with it. But the ignoring and loneliness got to me several times and each time I found solace in his best friend's arms. Now, I did not, and still do not, consider it cheating. I see it as not being in denial that my husband chooses to do other things than be with his wife. I am my own person who chooses to have a separate life from him as he does from me. So there.

One night, after my husband had been away for a week and not having any sex for over a month, I called Daniel and invited him over to keep me company and watch a movie. We have had sex before and while I wouldn't deny him tonight, I didn't offer it. So, we're sitting on the sofa with the *Casino Royale* dvd playing and we're commenting and talking about the movie and the amazing special effects, after all, it's Bond, James Bond.

Daniel had his arm around me and we were cuddling, then I felt him sit up and move his arm down slightly right onto my boob. So anyway, he had his hand on my boobs, so I put mine on his thigh. He started squeezing, so I moved my hand up his leg and he put his into my t-shirt. I moved mine further up until it was on his penis, and started rubbing him through his pants. He started squeezing my boobs harder, playing with my nipples, kissing my neck. So I straddled him to face him and put one leg either side of him. Now my boobs were in front of his face.

He took his hand out of the top of my t-shirt, and pulled up my top, lifted it over my head and pulled me closer so my

boobs were rubbing against his face. I wasn't wearing a bra so he kissed them all over, then licked it, then licked my nipple. I giggled really sexy which turned him on, and I felt his cock getting hard under my throbbing pussy.

His hand moved down, tickling my stomach with the tips of his fingers. They kept moving down until they reached the top of my panty. When I looked at him, he moved his hands into my panty and began rubbing my clit, making me grind on him. I felt a finger inside me thrusting faster and harder each time it did. I came, creaming all over his hand.

I felt like I owed him, so I got down, pulled his pants to his knees, and put his big juicy balls into my mouth as I was giving him a hand job. Then I put my mouth over it, licking and sucking. My head moved up and down on his cock for a while until he came. I swallowed, yum.

When we finished, we got cleaned up and continued watching the movie as if the last hour never happened. All there was to show was my soaked panty, and the wet patch on his pants, but my husband was not going to see them tonight.

#### **40+ Editor:**

I'm writing to tell you India Summer is one hot mama, but you probably already know that. Her sexual appetite is insatiable. Over the years, I've watched her devour men and women. But I think now is the most interesting because, being older, it's really hot when she's doing younger girls. I find it pretty sexy and like to watch her.

I have a wonderful husband in every way. Except his penis is too small to give me the same pleasure I get from men with larger ones. A lot of times when hubby and I are screwing around, I like rough and hard, thrusting sex but I can't do it that way with hubby and his dick.

A woman with long dark hair, large hoop earrings, a silver chain necklace, and a silver watch is sitting on a bed with a striped sheet. She is topless, with her hands cuffed behind her back. Her breasts are large and have some clear gel applied to them. A blue bra is lying on the bed behind her. In the background, there is a framed abstract painting on a light blue wall.

So I have guys over under false pretenses and check them out. Those that I think have what it takes, I'll take them back to the precinct, and if they have the right stuff, then I'll take them to this motel down the street and pay the manager for a room with a wink and a pass of her parking permit. I videotape it for evidence, like this.
